VLOERENCOLLECTIE 2026

Uw vloerenpartner voor elk project.

274 VLOEREN • 17 TRAPPRODUCTEN
PVC PLAK • PVC KLIK • LAMINAAT • TRAP

Partner in Bouw & Montage.

Leveren & leggen bij één partij.

Wij komen naar u toe met de vloerstalen, zodat u de kleuren beoordeelt bij uw eigen lichtinval. Wij bekijken de ondergrond, meten in en adviseren over legrichting, afwerking en combinaties.

Daarna voeren wij het werk uit. Egaliseren en voorbereiden, verlijmen of zwevend leggen, plinten zetten en afkitten. Elke vloer leveren wij schoon en gereinigd op en het afval voeren wij netjes af.

Eén partij, één aanspreekpunt en één prijs per vierkante meter, waarin materiaal, ondervloer, montage en afwerking zijn inbegrepen.

DOORLOOPTIJD

Ruime capaciteit voor een snelle oplevering.

Tijd is bij projecten vaak doorslaggevend. Daarom zetten wij meerdere ploegen tegelijk in op uw project, zodat ook grote oppervlakken binnen korte doorlooptijden gereed zijn, zonder dat het ten koste gaat van de kwaliteit en de afwerking.

Neem contact met ons op. Wij komen langs.

Vertel ons om wat voor project het gaat en om hoeveel vierkante meter. Wij plannen een bezoek in en nemen de vloerstalen mee, zodat u de kleuren bij uw eigen lichtinval kunt beoordelen. Ter plekke bekijken wij de ondergrond, meten wij in en denken wij mee over legrichting en afwerking.

Daarna ontvangt u **één prijs per vierkante meter**, waarin materiaal, ondervloer, montage en afwerking zijn inbegrepen. Geen losse posten en geen nacalculatie. Wij leveren, wij leggen, en leveren uw droomvloer schoon en afgewerkt op.
